Approved-

Reg: Permission for inviting BID for Shifting of B/o BASTI and Currency Chest to alternate premises

With reference to the above lease deed of premises of our B/o Basti is expired since 31.10.2001 .Original landlords of the premises Ramlal and Shyam Lal Chaudhary is deceased and their legal heirs are having dispute against property . Branch and RO officials have contacted the legal heirs and informed them several times for renewal of lease deed but they haven't reached to any settlement .

As Currency Chest is attached with the branch ,shifting of premises with currency chest is difficult and costly affair .

Currency chest work's under RBI rules and regulations we have to take permission for shifting or surrender of the currency chest that will affect our branches linked to currency chest Basti .

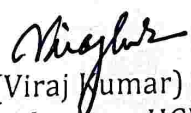

But for improvement in lease deed of B/o Basti and to avoid any mesne loss to our bank we have to invite tender for the new premises along with currency chest .

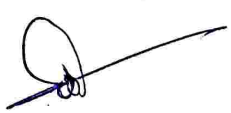

We will also take approval for shifting of currency chest from higher authority in due course .

With the urgency and importance to renew the lease deed without further delay . The ROPC committee at regional office recommend for inviting BID for looking for alternate premises for Basti branch and Currency Chest through paper publication and inviting online /offline tender by proper advertisement and displaying at branch and other centre for getting appropriate offer for the same .

Submitted for your Kind approval / instructions.
